Welcome to the Elden Ring, an action RPG published by Daum. The game features two distinct yet deeply connected narratives: one in the Elder Scrolls, the other in the Lands Between. The connecting link is the hands of the Elden. The adventure takes place on a world that has been hit by a cataclysm and is doomed to end. In the Middle Ages, the pious queen Sylvania and the Emperor Lucas work toward a great goal in complete harmony. However, their joint endeavor breaks down, and the Lands Between is suddenly set adrift in time. Players can choose to stay and contribute to the resolution of Sylvania's tragedy or to take up the task of saving the Lands Between. The biggest and best MMO in the history of the genre celebrates its 10th Anniversary. With brand new endgame, a full update, and more than 50 events and daily quests. Come back to the fray of the most dynamic adventure in online gaming. A special superpowered version of the classic Blue Bomber. In order to protect the universe against evil, the mysterious energy source known as the Key of Might is scattered across the universe in parts or Units called Keystones. As the evil Queen Beatrice plots to control these keystones, it is up to a group of powerful heroes called the Legendary Bomber Army to fight alongside their leader, Regal, to protect the universe in Blue Thunder. Killzone 3 VR EXPERIENCE! A tailor-made title designed for those who have a Sony PlayStation 4 and PlayStation VR and are tired of playing on ordinary TVs. Experience the adventure that follows the path of the Keo Maru in the world of the Killzone series. These are not cutscenes - they are experiences in 3D. The gameplay and story arc is also designed for the PlayStation VR headset. The highly anticipated sequel to the action-packed PlayStation VR hit, Farpoint. Tread the wastes of Mercury and explore a vast wilderness full of threats and discoveries, while recruiting the most formidable villains to fight by your side. Elden Ring

Main Points The combat system of Tarnished the New Fantasy has been altered a bit. 1. The defense factor of the damage absorbed by the character has been changed from an open-rank attribute to defense based on block and skill. As a result, normal attacks in the game have been weakened. 2. New skills, the Twin Tidal Wave and Triple Tidal Wave, have been added. The Twin Tidal Wave is a skill that absorbs two attacks with rank 1 and strength from your enemies, and delivers them at the same time. The Triple Tidal Wave is a skill that absorbs three attacks with rank 1 and strength from your enemies, and delivers them at the same time. 3. The maximum level cap has been increased to 60. Level 60 levels are only obtained through direct progression within the story. 4. The classes and skills have been changed. Alchemy: Elden Ring: Berserk: Ability Score Increase: +1 +1 Dexterity: +1 +1 Constitution: +1 Base Attack Bonus: +1 Action Surge: +1 Adventurer: Opportunity Attack: +1 Dueling: +1 Elden Ring: Battle Magic: Increase base mana by 1: +1 Increase base mana by 2: +1 Increase base mana by 3: +1 Increase base mana by 4: +1 +1 Light Armor: +1 Alchemy: Alteration: +1 Decipher: +1 Detection: +1 Elden Ring: Elden Mastery: +1 to Strength: +1 +1 to Charisma: +1 +1 to Intelligence: +1 +1 to Constitution: +1 +1 to Wisdom: +1 Alchemy: Elden Ring: +1 to all attributes Effect: +1 to all attributes of the character That should allow you to freely develop your character. ►How to Upgrade your Character You can increase your character's base attack, defense, speed, and skills at specific levels according to the base level of your character. We will gradually increase all levels after the completion of events in the game, and provide more new features and contents as a reward in the process.
